

Cocaine is conveniently stored underneath your seat for in-flight snorting.

2

Passengers with 80's hair will be cast into the ocean immediately.

1

Occasionally you may choose to throw your hands in the air and wave them like you just don't care.

If you want to exit the aircraft, you're going to have to get past motherfuckin' Guido first.

**Breast fondling is not tolerated.**

**Please be sure to avoid getting drunk if you are ugly.**

**Air Condoms are stored over-head for in-flight "quickies."**

**If you are unsure of the gender of another passenger, you may start by looking here.**

Please avoid trying to suck your own penis while airborne.

Nerds are encouraged to get the fuck out.

Our inflatable slides are the perfect ingredient for parties.

The first rule of airline anal sex is to assume the position and hold on tight!

In the event of an aircraft evacuation, style points will be given according to style and artistic impression.

In the event of an accidental anal gas release, masks will drop down from a little trap door in the ceiling. Kids don't get any though, because they can just suffer like the little brats that they are.

Please do not defecate on our floors.

The door handle serves as an excellent stabilizer for in-flight masturbation.
