

## **Reg Reagan from the footy show has some interesting thoughts on men:**

1. If you are over 30 and you have a washboard stomach, you're gay. It means you haven't sucked back enough beer with the boys and rather you've been sucking-off the boys and have spent the rest of your free time doing sit-ups, aerobics, and doing the Oprah diet.
2. If you have a cat, you are a Flaaaayming Fag. A cat is like a dog, but Gay: it grooms itself constantly but never scratches itself, has a delicate touch except when it uses its nails, and whines to be fed. And just think about how you call a dog..."Killer, come here! I said get your ass over here!" Now think about how you call a cat..."Bun-bun, come to daddy, snookums!" Jeezus, you're the poster boy for GAY.
3. If you suck on lollipops, Ring-Pops, baby-dummies, or any such nonsense, rest assured, you are a Gaylord. A straight man only sucks bar-b-q ribs, crab-claws, raw oysters, craw-fish guts, pickled pigs feet, or titties. Anything else and you are in training to suck El-Dicko and undeniably a Fag.
4. If you refuse to have a shit in a public toilet or piss in a parking lot, you're in a deep homosexual relationship. A man's world is his toilet; he defecates and urinates where he pleases.
5. If you drink decaf coffee with skim milk, you like a high hard one in the poop-chute. Coffee is to be had strong, black (or with thick, wholesome milk) and full-aroma. A pussy-eating man will never be heard ordering a "Decaf Cafe Latte with Skim" and he will never, ever know what artificial sweetener tastes like. If you've had NutraSweet in your mouth, you've had a dick in there too.
6. If you know more than six names of colours or four different types of dessert, you might as well be handing out a free pass to your arse. A real man doesn't have memory space in his brain to remember all of that crap as well as all the names of all the players in the NRL, Super 12 Rugby, Cricket, PGA, NBL, and Supercar series. If you can pick out chartreuse or you know what a "fresier" is, you're gay. And if you can name ANY type of textile other than denim, you are faggadocious!
7. If you drive with both hands on the wheel, forget it...you're hungry for man sausage. A man only puts both hands on the wheel to honk at slow-arse Volvo drivers or to cut the mother\*\*\*ker off. The rest of the time he needs that hand to change the radio station, eat his hamburger, hold his beer, or, if he's a wog, talk on his mobile phone.
8. If you enjoy romantic comedies or French films, mon-frere, vous sonnez le Gay, oui? The only time it is acceptable to watch one of those is with a woman who knows how to reward her man. Watching any of the above films by yourself or with another man is likely to result in SHC (spontaneous homosexual combustion), which is what happens to fags when they flame out too quickly. So follow the rules and beware. Or keep that sh\*t to yourself, you flamming faggot!
9. If your name is Marty, Brent, Josh or Nat then stop living in denial. You're a dung punching arse bandit from way back and everyone knows it.
